

This document includes several emails you can use to share Wyatt with students and parents. Feel free to tailor the copy to your audience as needed. You can also use this content with any of the email graphics available [here](#).

Email #1: Students

Instructions:

Use the content below to create an email to send to students inviting them to use Wyatt, so they get help completing the FAFSA. The copy can be customized as needed.

Suggested subject line:

FAFSA got you stuck? Let Wyatt help.

Sample Email:

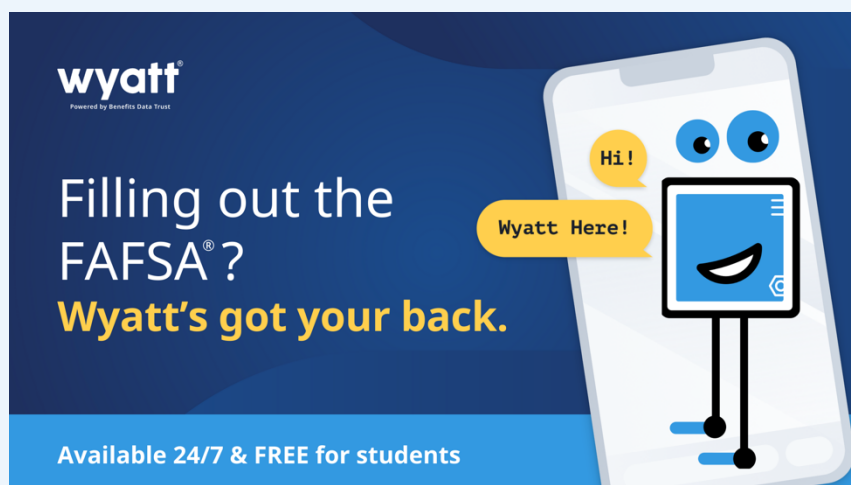

The FAFSA is your gateway to college. It can unlock thousands of dollars in financial aid -- and Wyatt can help.

Wyatt is your digital FAFSA advisor, with the answers you need to get your FAFSA done, so you can get help paying for college.

When you sign up, you can text Wyatt anytime, day or night, with all your FAFSA questions. Wyatt will also text you regular reminders to keep your application on track.

- Available 24/7
- Free for students
- Up-to-date on all the latest FAFSA changes

[Sign up](#) to start using Wyatt today -- and get your FAFSA done right.

Email #2: Parents/guardians

Instructions:

Use the content below to create an email to send to parents and guardians of students completing the FAFSA this year. The copy can be customized as needed.

Suggested subject line:

Help completing the FAFSA is just a text away

Sample Email:

The FAFSA (Free Application for Federal Student Aid) is your child's gateway to college. Yet 4 in 10 seniors don't get their application done.

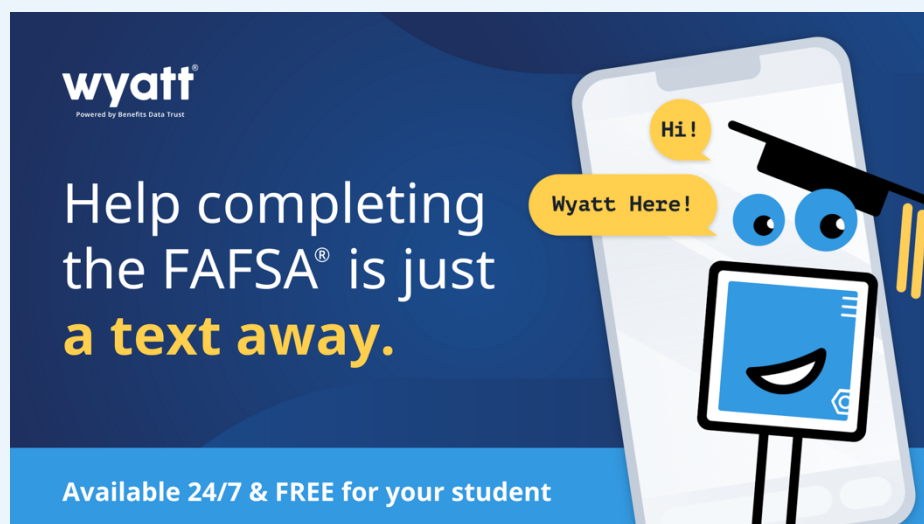

Last year, students who didn't submit their applications left nearly \$3.6 billion in aid untapped.

Wyatt can help your child get their FAFSA done right.

Wyatt is a digital FAFSA advisor, with instant, up-to-date answers to you and your child's FAFSA questions. Students can text Wyatt anytime, day or night, to get help with their application. Wyatt will also send regular reminders to keep their application on track.

Powered by Benefits Data Trust, a national nonprofit working to modernize access to public assistance, Wyatt is available 24/7 and free for students to use.

[Make sure your student signs up](#) to start using Wyatt today!
